

Getting started with Libby

Libby is made possible by your local library and built with ♥ by OverDrive.

The Libby app is the easiest way to get started with digital books, audiobooks, and magazines from your public library!

1

Install the Libby app from the app store on your Android or iOS (iPhone/iPad/iPod touch) device. Or, visit libbyapp.com in your Chrome, Firefox, Safari, or Edge browser.

2

In Libby, follow the prompts to find your library and sign in with a valid library card.

3

Browse your library's collection and borrow a title.

4

Borrowed titles appear on your **Shelf** () and download to the app automatically when you're on Wi-Fi, so you can read them when you're offline.

On your **Shelf**, tap **loans** at the top of the screen. From there, you can:

- Tap **Read With...** to choose whether you'd like to open a book in Kindle (U.S. libraries only) or Libby.
- Tap **Open In Libby** to start reading or listening in the app.
- Tap **Manage Loan** to see options like **Renew Loan** and **Return Early**.

Happy reading!
